

Luckily, we have not had serious disruption with snow (so far)! Please keep us updated with any changes to your/emergency contact details.

We launched our Parent App in January and we would welcome any feedback. As an ECO friendly school, our aim is to reduce the amount of paper we print and send out to you, and where possible we would encourage you to download information (eg newsletters) from our school Parent App. Please complete the slips at the end of this letter to help us inform us if we can move forward with this and to let us know your preferred times for the upcoming Parent Evening.
