

# Libberton Primary

All stakeholders will have a shared understanding of SLC Skills Framework

Skills development planning will be linked to the Four Capacities of Curriculum for Excellence

Children will acquire skills for learning, life and work

## Outdoor Learning

Staff will be more confident in delivering outdoor learning

Outdoor learning will provide high quality, engaging learning experiences

Children's physical and emotional wellbeing will be increased

## Nurture

All stakeholders will have an understanding of the nurturing principles

Whole school nurturing approach will develop positive relationships across the school community

Children will feel more valued and have a greater sense of belonging
