4) Matters arising

Credit Union – parent support for it coming to the school but we need someone to take responsibility for it and to bank the money. The P7s run it but they need parent helpers (rota?). Monthly set date when money can be banked. Sealed envelopes recommended to stop comparisons been made and have pupils banking one at a time, rather than queuing. There is possibly advantage of loans @ 18 on the back of the students account. This links into the ‘parent council toolkit for the cost of the school day’.

Photographs – move from October to August so the cost doesn’t come all at once at Christmas.

Uniform – second hand stall clothing, wellies, shoes and jackets at the stay and play days.

Womankind – school focus – uniforms, funding trips / residential and out and about clothing for the schools. Referral from the school or doctors.

Blackmount newsletter – can we contribute to newsletter? Would this open up potential grants for the school?

Constitution – this needs to be redone to make it relevant and appealing for grants.
