

P1-4 NEWSLETTER

Curricular Areas and Subjects

Primary 1-4 have had a wonderful start to the term! The children have been proudly taking responsibility in literacy and numeracy, completing their target tasks independently. In literacy, we have been recapping our reading strategies and writing toolkits. In numeracy, we are exploring pattern and shapes, showing all our creativity and ambition. We always start our maths lessons with some fun active counting and mental agility. In PE, we are focusing on balance and control in gymnastics. Our PE days are Tuesday and Wednesday.

Interdisciplinary Learning

Our interdisciplinary learning project this term is a STEM novel study based on *Fantastic Mr Fox*! We kicked off our adventure with an exciting big reveal of the book in the woods, setting the stage for exploring the story through hands-on construction, material testing, and outdoor learning. Through playful discovery, the children have already been designing animal habitats and are eager to dive into Mr Fox's underground world. As the story unfolds, we will bring our learning to life by weaving engineering challenges, scientific investigation and literacy skills directly into his daring escapades! Our outdoor learning afternoon will usually be a Thursday.

Ethos and Wider Life of the School

Primary 1-4 have settled brilliantly into their new class dynamic, filling our room with creativity and determination! It has been great to see the children naturally demonstrating our school values as they learn, play and collaborate. Together, we have crafted our new Lego-themed Class Charter, agreeing on how we support and care for one another to make our classroom a warm, welcoming place to thrive. The children are also becoming tech superstars as they track their ongoing achievements and set personal targets using Book Creator. These have become part of our 'Being Me' walls where the children proudly showcase their successes. P1-4 are also welcome to join Mrs Sheridan for STEM after school club starting Thursday 10th September!
