The AGM was followed by a general meeting

Secretary Report –

We have unfortunately lost 3 members of Parent council this year due to school leavers. Leaving us with 4 current members. We applied for a £500 grant for funding for transport which we received. This will help the pupils be able to attend events held with other South Lanarkshire Schools.

Treasurer Report –

We have £3030.27 in the bank. Our biggest fundraiser was the Christmas raffle. It was agreed that the signatories should be changed from Tom and Byron to Laura and Angela.

Head Teacher Report –

We have had 2 new children join the school this year.

The P7 hoodies are to be ordered this week by the school with funds from the parent council as agreed at the meeting. Parents have the option to buy an extra hoodie from ALJ if they wish.

The school will be taking P5-P7 swimming in March until the summer.

As the School app is no longer running, all information will be given to parents through Parents Portal.

Regarding the late night shopping, the school have offered to take over the organising of this with the parent council still helping on the night and arranging prizes and donations from local businesses.

Fundraising –

We will have another table this year at the Late night shopping evening in Biggar. The Co-op offer fundraising so this is to be looked into. It was suggested that we have a Tombolo at the Parent council Halloween Party to raise funds for the school.

AOB –

A family fun night is to be held on Friday 11th September from 6pm to 7pm. We are going to ask parents for donations for prizes and homebaking. Teas, coffees and biscuits will be provided. It is open to anyone who would like to come and help us raise money for the parent council.

Our annual Halloween party is to be on Friday 30th October. Details are to be confirmed on the Parent Council Whatsapp Group. Any parents looking to join the parent council group are more than welcome.

Date of next meeting –

Wednesday 11th November at 6.30pm.
