Aiming for Bronze & Silver

This year at Libberton Primary we aim to achieve our Rights Respecting Schools Bronze Award: Rights Committed and hopefully our Rights Respecting Schools Silver Award: Rights Aware. The Rights Respecting Schools Award is about embedding the United Nations Convention of the Rights of the Child (UNCRC) into all aspects of school life.

Since August, the Looney Tunes Getting It Right Group have held two meetings identifying what we want to achieve and our next steps. Recently, they put up some displays around the school to encourage all pupils to recognise their rights.

In October, we submitted our Bronze Award application along with the results from pupil and staff questionnaires that identified our next steps in our UNCRC journey. As part of the process, we also submitted our action plan for the Silver Award.

Each month we will focus on a different UNCRC article. Click the poster to find out more about the different articles and read on to find out what we have learnt so far.
